

Nowadays, the drum instrument is more and more popular. However, when the player is on showing, the drum may move and even case the big noise.

Now we're glad to recommend our drum logo mat to you, which can solve upon problems. Meanwhile, it is also a great idea to promote company's image with your custom design, combining the benefits of a drum floor mat with an eye-catching design that can enhance branding and marketing efforts.

Drum Logo Mat:

A Business with no sign is a sign of No Business!

Pattern#1: Nylon Pile

Dyes are permanently injected deep into the nylon pile so that they will not "rub off"

Nylon Loop pile can absorb water effectively

Pattern#1: Non-woven Backing with Dot

Non-woven with dots makes mats more anti-slip

Overlocking can prevent surface peeling off.

- Make more comfortable and safe when playing the drum
- Non-woven backing covered with dots to avoid slidin
- Stylish and mutiple designs for your option

Drum Logo Mat:

A Business with no sign is a sign of No Business!

Pattern#2: Nylon Pile

Dyes are permanently injected deep into the nylon pile so that they will not "rub off"

Nylon Loop pile can absorb water effectively

Pattern#2: Latex Backing

Latex Backing makes mats more anti-slip

Overlocking can prevent surface peeling off.

- Make more comfortable and safe when playing the drum
- Latex backing to avoid slidign
- Stylish and mutiple designs for your option
