Customer Feedback:

Thanks for everything, you've been an excellent partner for all this years, and of course We wish you a Prosperous 2015.

Steven Seemann
Fringo GmbH & Co. KG (Germany)

If we were to do another similar campaign in the future, I would not hesitate to use Dotcom. Everything from sampling, to ideation, to shipping was executed very well. We have not had any quality issues brought to our attention (I have used the product personally since our first sampling, and see no signs of wear)!

Terry Serpa
Monkeysports Inc. (USA)

The mats look great and appear to be very good quality. I will be visiting clients over the next 4 weeks to show them the mats. Hopefully I will be able to sell some additional products for you.

Harry Mike
Alphin Groups L.T.D. (UK)

Just want to thank you for doing such a nice job producing our carpets and what a great job of boxing them and carefully packing on pallets with corner guards and wrap to keep boxes clean. They look great. I am very trusting on your quality.

Daniel Paquette
Parachutisme Nouvel Air (Canada)

We have received the mats & delivered to the customer... they look good- as expected. We have kept several here at our office to use & see how they hold up... I will use them as sample for other orders... Thanks.
