

Workshop Cushion Mat Anti-Fatigue Floor Mats for Workers

> Our high performance anti fatigue mat is suitable for all floor types; including laminate, marble, tiles, hardwood and carpet (non-staining).

> Our kitchen mats are made from 3/4 inch polyurethane gel foam that encourages a good posture and alleviates stress in various pressure points around the body, particularly in the feet ankles & knees- it's the perfectly cushioned fatigue mat for standing over long periods.

Style One:

Industry Anti -Fatigue Mat

The infographic features a central image of a rectangular mat with a black textured center and yellow borders. Below the mat are four circular icons, each connected to a feature description by a white line. The features are: 1. A green footprint icon for 'Soft Anti-Fatigue'. 2. A circular icon showing the black and yellow textured surfaces for 'Non-Slip Grip'. 3. A circular icon showing the mat's thickness and texture for 'Thick Cushion'. 4. A white circle with green text for 'Non-Toxic'.
