Dotcom has a long term relationship with internationally renowned companies on related products

Switching out your area rug is one of the simplest and most effective ways to add pizzazz and personality to your living room. Square and rectangular rugs tend to get the lion's share of attention when it comes to floor coverings, but did you know that there are a host of rugs in abstract shapes and designs that you can choose? From tufted wool pieces in structural geometric shapes to oblong area rugs with wavy patterns, oddly shaped rugs are in... and we're undeniably obsessed with them. Check out fun and unconventional rugs like Custom Die Out Mats with Printed that will take your decor redo to the next level. One of these might just be the accessory you need to give your space new life.
