FAQ

1. Is there a requirement of minimum order quantity?

No, we produce starting from one piece. An ideal order quantity for production would be 100sqm or more.

2. What's the size for a rubber mat?

Max width is 200cm, and 600cm long or below. Longer length is acceptable subject to a minimum surcharge.

3. Is it need to pay Art Fee for making custom design?

No, Art Fee is free,

1) You could provide your own design in JPG, AI or PDF files. Please note that letters have to be at least 4 cm to be readable on the mat. Avoid combinations of very similar colors with little contrast.

2) You may provide your logo or design image,our designer could make the art work according to your requirements, we will send the finished art work for your approval before production.

4. How to choose design colors?

Pantone colors (Pantone C, Pantone U or Pantone TPX) are acceptable, If exact colors cannot be appointed, our designer will recommend the best match color for verification and approval.

5. How many colors can be produced in one design?

Normally within 12 colors inclusive of white color.

6. How to find the freight forwarder?

Dotcom has experience in directly exporting to most major cities. We can provide our own freight forwarder and choose the best one who has good service and competitive price for your port. Or we can also use the freight forwarding you appointed.
