

We have been customizing and selling logo mats for more than 10 years. We provide services to customers from all over the world. The United States and Europe are our main markets. We have been enjoying a good reputation in the carpet market since our establishment. We have developed a variety of different materials to choose from. Hand Tufted Carpets Novelty Area Rug is the most popular one. It is handmade from 4.5 lbs/m² acrylic pile and 700g/m² cloth on the back. . By the way, the MOQ is only 1 piece. Many brands buy logo mats from us every year, such as Adidas, Subway, Honda, Vans, Yamaha, etc. They are very satisfied with our services and products.

Please see more details as below:

Hand Tufted Rug is made by punching threads of acrylic into a canvas that is stretched on a frame by using a hand operated tufting gun. Rug is made from premium acrylic with backing of cloth to make it highly durable and high-end.

Made from heavy acrylic, features strong ability of water absorption and fast absorbing speed, which will dry out your wet faster than any other ordinary doormats, even the water-drop and greasy dirt, never pollute your floor.

Our doormats are suitable for placing at the door of your kitchen, bedroom, living room, dining room, bathroom, porch, staircase, office and any indoor or outdoor place.

Clean Method: Water hose wash or vaccum clean only.
