

With Indoor Golf Putting Golfer Training Mat you will take your short game to the next level. While many golfers will work on their driver to improve their long game many fall short on the green. This light weight portable Indoor Golf Putting Golfer Training Mat will help you improve your handicap and feel comfortable on any green.

Portable compact golf mat: You can use our greens to practice golf in the comfort of your home, office, backyard or any other place. Just turn on the indoor putting mat and you will have a fully functional golf course!

A great gift for sports enthusiasts: A portable home golf course for the men, women and children in your life. They will like to play it in the backyard or lawn. Help them improve their putting skills by using our mat exercises.

Easy to clean and machine wash: Indoor Golf Putting Golfer Training Mat can be laid flat at home for practice anytime, anywhere. Don't worry about soiling the floor mats, you can use a vacuum cleaner to remove dust on the surface, or you can directly put it in the washing machine for cleaning, which is very convenient and quick.

USAGE SCENARIOS

Have the ultimate fun practicing golf at your convenience, without the tedious task of driving to the golf court every single time! Simply open the indoor putting mat & you have a fully functional golfing area!

Used by professional players, Indoor Golf Putting Golfer Training Mat is the most scientifically accurate in reproducing a real-life green. Our designers have created a mat suitable for modern home interiors. Contrasts allow better visibility of the mapping areas. Indoor Golf

Putting Golfer Training Mat has been made from a high quality cut-pile that replicates putting on medium-fast greens for effective practice. A durable, heavy rubber backing allows the mat to lie smooth and flat on any surface. The design of the mat can be easily rolled and packed away for convenience and safe, compact storage. With 40% of all shots on the course being putts it is essential that you put the hours in and xxx allows you to do this at home, the office or just about anywhere that you have a spare 2-3 metres.
