

The latest innovation in dart throw lines is here in the Logo Printed Floor Throwing Dart Mat! This cushioned mat protects your floor from errant bounce outs, and saves your dart tips as well. Fashioned from state of the nylon material, the dart mat can stand up to the toughest punishment. The real breakthrough in this mat is the embossed throw lines directly on the mat, for both soft tip and steel tip games. You'll never have to worry about any adhesives sticking to your floor as the mat can be rolled up and stored when not in use, leaving your floor perfectly clean. For dart rooms that have easily damaged floors, look no further than the Logo Printed Floor Throwing Dart Mat.
