FAQ

Q: What is the printing process of Personality Nylon Area Rugs Non-slip Mat?

A: This carpet are inkjeted printed by ChromoJet machine from ZIMMER in Austria.

Q: Can you offer a sample?

A: Yes, we can make samples for our customers first before the bulk order. Sometimes we also offer a free stock sample for quality evaluation.

Q: About printing size accuracy problem?

A: As the fabric is flexible, we can't make the logo size exactly same as your design, we will try our best to match it as close as possible.

Q: Is it possible to make exactly the same color?

A: Different materials bring different visual effects, so sometimes it is difficult to be exactly the same, and we can only approach it according to the customer's design as much as possible.
