We have been customizing and selling logo mats for more than 10 years. We provide services to customers from all over the world. The United States and Europe are our main markets. We have been enjoying a good reputation in the carpet market since our establishment. We have developed a variety of different materials to choose from. Water Absorption Non-Slip Shaped Rug is the most popular one. It is handmade from 4.5 lbs/m² acrylic pile and 700g/m² cloth on the back. By the way, the MOQ is only 1 piece. Many brands buy logo mats from us every year, such as Adidas, Subway, Honda, Vans, Yamaha, etc. They are very satisfied with our services and products.
